AOB:

1. Mr Sandalls asked the School Council for suggestions on what the children who help keep the 'Learnpads' charged and stored correctly, should be known as (for their badges). 'Digital Leaders' and 'Computing Ambassadors' were discussed but the favourite was 'Technology Team' or 'Tech Team' suggested by Seren.
2. Next week Mr Sperring will be attending the meeting to explain about the SIAMS visit.

For the next meeting:

Class Council: Ask your class what clubs they would like to see organised. Think about the age group, boys and/or girls, club size (number of children allowed) and where the club would need to take place eg outdoors/ hall/ classroom.

Next week's meeting: Tuesday 8th Nov at 10am in 4M.
