

## SCHOOL COUNCIL MINUTES- 17/11/16

- Register taken- all present except 6B who were swimming.
- Mrs Jarvis (School Governor) sent her apologies.
- Class Council: FOOTBALL- what are the issues- if any?

Class	Football feedback
1H	Not applicable to Year 1
2T	Accidents
3C	Older children can be bossy and take the goals. It is good exercise for boys and girls.
3K	No Class Council
3S	Children playing when it's not their day, too muddy, ball goes over the fence
4M	Timetable not followed
4S	Too many arguments and takes up too much space
5B	It is fun and gets your heart pumping
5C	Played before school- and shouldn't be, boys do not allow girls to play, too rough, conflict, other year group's disturbing game, balls need pumping up
5S	Game should stop when it goes off the pitch, boys play on Fridays- and shouldn't, not enough space
6B	(swimming)
6S	No class council

After much discussion, the School Council proposed the following:

1. Rename the 'Football Day' as 'Sports Pitch Day'
2. Football ONLY played on Sports Pitch
3. Fencing around Sports Pitch to contain ball and game- School Council willing to fundraise for this and Mrs Millington to look into cost.
4. Reclaim 'The Pavilion' as a quiet area for reading, drawing, writing etc. Currently, it is muddy and noisy because of children playing 'It'. 'Welcome to the Pavilion- a quiet zone' sign to be displayed and a box of materials provided eg paper and pencils.

5. Playground equipment 'shed' needs to be unlocked and stocked with new equipment. Monitors to supervise return of equipment.
  6. To relaunch these changes, hold a 'Football-free' week but teachers to teach new games in PE lessons.
  7. In the summer, use the far field for ball games.
  8. Build a M.U.G.A.
- For next week- remind your class about the 'Suggestion Box' and bring it to the next meeting.

Next week's meeting: Tuesday 22nd Nov at 10am in 4M.
