

SCHOOL COUNCIL MINUTES- 24/01/17

- Poppy chaired the meeting in Sophie's absence.
- Register taken- all classes present.
- Mrs Kate Jarvis, Governor sent her apologies and will visit next week. The Reps planned a series of questions to ask her then.
- Mrs Millington reported that the teachers were informed of the School Council's request to visit the school library at the Staff Meeting on Monday. School Council will monitor this, again, before half term. Mr Light has been informed of the KS1 toilet paper issue. The Year 2 reps were asked to encourage their class to report this issue to a lunchtime supervisor or class teacher as it arises.
- Inspection of new play equipment in KS2 playground. Wow! Also, the new matting makes the area more spacious and less muddy! It was explained that the children will need to have an 'induction' before using the equipment.
- Discussion of how best to organise children on new equipment. Ideas to feedback to the staff include: 'waiting spots/line' to keep those waiting their turn safe, class groups instead of year groups and having a 'circuit' to use the equipment in a certain order for a set time.

Next meeting: 31/01/2017
