

## Our Creative Curriculum – Take One Picture

Yr 2 Great Fire of London

Yr 6 Remembrance

Yr 2 Florence Nightingale

At Great Missenden CE Combined School our creative curriculum is inspired by the National Gallery's Take One Picture programme.

Take One uses a picture or object as a starting point to develop children's critical and creative thinking skills as well as their learning across the curriculum.

Our staff have attended training at the National Gallery in London and The Ashmolean Museum in Oxford where they have explored the use of artwork as a springboard for curriculum topics.

Every year group uses a piece of art work as a stimulus for their topic and National Curriculum objectives are planned and taught through a cross curricular approach. Children are encouraged to create questions from their art work at the beginning of topics which inform the areas of enquiry they follow in topic lessons.

Yr 1 Celebrating Christmas Around the World

Y5 5 Living in the Past

Yr 6 The Hobbit

Yr 3 Alice in Wonderland
