

# **SNAG Minutes**

Tuesday 4<sup>th</sup> February 2012

Attendees: Matthew (6W) , Daniel Hutchings (6T), Felix (3H), Samuel (5T), Riley (4A), Libby (4A), Kieran (4A), Joseph (4C), Frankie (2C), Jessica (5S), Sophie (3W), Ms. Taylor, Mrs. Martin

## **Food For life Visit**

Ms. Taylor thanked all the SNAG team for their hard work preparing for the visit from the Food for Life team. The inspection went really well and the SNAG team did a fantastic presentation for the visitors.

## **Survey**

We are planning to carry out a whole school survey next half-term asking parents and children for their opinions on food, growing and cooking in the school. Copies of the proposed survey were given to the SNAG team to look at and comment on. Matthew commented that the questions were good as they covered a broad range of subjects that parents are interested in. It was agreed that we should keep in the question whether children liked sitting with teachers at lunchtime. Jessica suggested we should find out what the least favourite school lunch is as well as the top three favourites.

The most important areas to get feedback on are:

- \* The dining room environment (cleanliness, choice of where to sit)
- \* School lunches (portion sizes, favourites)

The SNAG team will be responsible for distributing and collecting the surveys.

## **Great Missenden Bake-Off**

We will be holding the GM Bake-Off week commencing 17<sup>th</sup> March. We decided that categories will be:

- \* Cupcakes,
- \* Muffins
- \* Bread
- \* Savoury pastry
- \* Sweet pastry
- \* Biscuits

Each category will have a prize for both taste and presentation. We will provide a template for every child to write the ingredients of their bake.
