Summer term SNAG project: Around the World recipe cards

The SNAG team discussed how their previous suggestion of making a themed recipe book would work. This week, the whole school will be tasked with creating a recipe card for their homework. Each year group will be given a different part of the world and they will need to find a recipe from that continent or country.

Each card must include:

- The flag from that country
- An introductory sentence about the dish
- A colourful picture of the dish
- A list of ingredients
- A guess what fact about the dish or ingredients

Each class will be given a pack of instructions – these will be put together by members of the SNAG team.

The SNAG team will collect in the cards and decide which recipes will be included in the recipe book. The recipe book will be on sale at the School Fair.
