Autumn 2nd half term

Survey

Each member of the SNAG team will be responsible for completing a questionnaire with their class. The survey will ask for the children's views on school lunches, cooking and growing activities in school.

Mince pies

The SNAG team will have a cookery morning with Ms Taylor and Mrs Martin to make approximately 200 mince pies. They will serve these to parents who are coming to school to watch the nativities performed by EYFS and KS1 classes,

Spring 1st half term

Fruit and Vegetable Picture display

The SNAG team will take an assembly to explain to the whole school their idea for a Fruit and vegetable picture display. Each child will be asked to make a picture at home using only fruit and vegetables, they should take a photo of it and email it to a special SNAG team email address. They will print out the pictures and display them at school so that parents can come and see.

Spring 2nd half term

Pancake day assembly

The SNAG team suggested a brilliant book pancake day assembly. They will put different toppings on pancakes and any child coming up to receive their award will be able to have a pancake.

Summer 1st half term

Bake-Off

After the success of last year's bake off competition, we will organise a similar event but link it to world foods. Each year group will be given a different part of the world and they will make a dish from there. The activity will be linked to their learning log and they will include the recipe and take photos of their cooking.
