

Dear Parents

1st July 2016

Sports Week

Thanks to Mr Sperring and Mr Hobdell for organising a brilliant Sports Week.

Skip2BeFit on Monday, Kinball on Tuesday and the Olympian Gymnast Beth Tweddle on Wednesday – it has been such an inspiring week.

New Classes for September

Later today you will receive an email copy today of the new classes and arrangements for September and Induction Day on 12th July.

Thanks to Mr Light

Mr Light our Premises Manager has saved the school several thousand pounds by removing the pirate ship and soft play surface in preparation for the installation of the new KS1 playground equipment next week. THANK YOU MR LIGHT for carrying on, rain or shine – we really appreciate it.

Staff News

Two of our Learning Support Staff, Mrs Braint and Mr Swann will be moving on to new roles in the summer.

Thank you to Mrs Braint for her work in KS2 and her generous help with so many “over and above” activities such as the Restaurant Project and residential trips. Mrs Braint has worked here since 2009, but was involved long before that with the PTA. She has been such a fabulous and supportive colleague.

Thank you to Mr Swann for his kindness to the children in Reception and his great work as a Play Leader in KS2. We have loved his enthusiasm for giving the children new opportunities, such as archery, musical instrument workshops at After School Club, and particularly Playground Monitors in Year 6, who have learned from his example how to solve problems and improve playtimes for everyone.

Thank you to both for their care and support of the children. They will both be sadly missed by the children.

Sportacular Summer Fete – Saturday 2nd July

The weather is looking fine – we are all set for a Super Sportacular Summer Fete. Parent races too! Egg and Spoon! Medals! Hope to see you there. Starts 1pm
