Dear Parents

### Anti-Bullying Week

The children have all been taking part in discussions and activities this week on anti-bullying. The School Council have led class meetings on the POWER FOR GOOD which focuses on the power within the words we say. The children have thought about how kind or mean words can affect how we feel and the differences between being rude, mean and bullying.

### Year 1 Misbourne Games

Mr Hobdell took the Year 1 children out for a fun packed afternoon of games at The Misbourne School on Wednesday. They joined other local schools in activities including curling, mini hockey slalom, scooter boards, beanbag balance and stepping stones. This was all brilliantly organised and led by Year 9 pupils.

### 3C Have Moved In!

Staff and governors, present and past, all celebrated the official opening of 3C's new classroom. Miss Cartwright did the official honours by cutting the ribbon and special thanks were sent out to everyone involved in making our fantastic new classroom a reality.

### Tutti Frutti

The Tutti Frutti choppers need further help on Wednesdays and Fridays. Even if you can only offer a couple of dates, please get in touch via Mrs North in the office.

### Children in Need

Mr Kaye led a 'spottacular' assembly this morning to raise awareness of Children in Need. Mr Hobdell and Mr Sandalls were the lucky ones to wear the t-shirts made by the brilliant book children all day. Great Sports!
