

LOTTERY FUNDED

24th June 2016

Dear Parents

I am delighted to let you know that we have won a grant from the Big Lottery Fund of just short of £10,000 following a successful bid. It was initially turned down, but Mrs Tomlin showed GROWTH MINDSET and applied again!
THANK YOU MRS TOMLIN!

Together with the funds raised by the sponsored walk, and with the generous help of the PTA (with funds raised by you from their events), we are able to transform the KS1 playground, starting work on 5th July. The design is a pirate ship floating on a blue sea and a fortress on a green island with a pathway for parents in between!

Building Work

A reminder that construction of the new classroom above 4H will begin next week. 4H will move temporarily into the After School Club room. The building site will be securely fenced off so the children can still access their classrooms safely.

As After School Club will now be based in dining room, unfortunately cookery club will have to continue in 3C for the last few weeks, where the club members will do other cookery related topics instead.

Latin Club – would you like to help?

Mrs Davies is a (now) ex- parent who has been running our successful Club since 2003. It is a great asset to the school; the children love it and learn so much.

Mrs Davies would like to run two groups within the club – one for new starters and one for more experienced Latin speakers.

Would you like to help? No experience or knowledge of Latin needed – training provided. The club will continue from September on Mondays after school 3.15pm to 4.15pm.

Latin Club has now finished for this term. Parents and children all informed. Please can children bring their Latin text books back to the office for Mrs Davies. Thank you
